### CONSTITUTION OF SEARCH COMMITTEE FOR APPOINTMENT OF LOKAYUKTA

In pursuance of Section 3(2) of the Nagaland Lokayukta Act, 2017 and Section 3 Sub- Section 2 (ii) of the Nagaland Lokayukta (Amendment) Act 2019, Personnel & Administrative Reforms Department stated that a Search Committee has been constituted for identifying candidates to be considered for appointment as Lokayukta Nagaland with the following members:

1. Chief Secretary, Nagaland
2. Advocate General of Nagaland.

### LABOUR COMMISSIONER INFORMS

Labour Commissioner, Er. S. L. Wati Aier has informed that in line with recommendations of the 44<sup>th</sup>, 45<sup>th</sup> and 46<sup>th</sup> Session of Indian Labour Conference (ILC) and demands from various quarters, the Government of India has amended the Maternity Benefit Act 1961 by way of the Maternity Benefit (Amendment) Act 2017. Vide this amendment, one important provision was enabling provision for permitting work from home for nursing mothers. Section 5(5) of the Act provides as follows:

“(5) In case where the nature of work assigned to a woman is of such nature that she may work from home, the employer may allow her to do so after availing the maternity benefit for such period and on such conditions as the employer and the woman may mutually agree.”

In the context of prevailing COVID-19 pandemic, nursing mothers are a highly vulnerable lot and the need to protect this segment of the population from getting infected by corona virus cannot be over emphasized. Allowing nursing mothers to work from home can contribute to protecting them and their babies from getting infected. It is in this scenario that the enabling provision for allowing 'work from home' assumes significance and hence needs to be popularized amongst the women workforce, and the employers are advised to allow more nursing mothers to work from home wherever nature of work allows to do so, at least for a period of one year from the date of birth of the child.

All employers of mines, plantations, shops and establishments (either in organized sector or unorganized sector) and factories are therefore, advised to comply with the above information.

### NBSE INFORMS ON NATIONAL EDUCATION POLICY

The National Education Policy (NEP) 2020 talks about the education system that lays emphasis on experiential learning with a focus on 21<sup>st</sup> century skills like critical thinking and problem solving. The NEP 2020 aims at developing a holistic and multi-disciplinary education and therefore, has stressed on the integration of vocational education with the general education so as to eliminate the hard separation between arts and sciences, between curricular and extra-curricular activities, and between vocational and academic streams. This policy aims to ensure that every child learns at least one vocation and is exposed to several more from Class VI onward. This would lead to emphasising the dignity of labour and importance of various vocations. It is the goal of the policy to reach out to at least 50% of the learners to have exposure to vocational education by 2025.

The vocational/skill education is within the ambit of National Skill Qualification Framework (NSQF) which organises qualifications according to a series of levels of knowledge, skills and aptitude. The

## OFFICIAL ORDERS AND NOTIFICATIONS

NSQF defines common principles and guidelines for nationally recognised qualification and certification encompassing schools, vocational institutes and institutes of higher education throughout the country. The qualification ranges from secondary to doctorate level leading to international recognition of national standards. The NSQF is a competency based skill framework that will provide for multiple pathways of vertical and horizontal mobility with multiple entries and exits both within vocational education, vocational training, general education and technical education, thus linking one level of learning to another higher level. This will enable a person to acquire desired competency levels, transit to job market and, at an opportune time, return for acquiring additional skills to further upgrade their competencies.

In pursuant to the goal of NEP 2020, to reach out to 50% of the learners, the Nagaland Board of School Education is introducing Vocational Education from Classes IX to XII from 2022 academic session in a phased manner, i.e. to begin with Class IX. The vocational education will be an optional subject in classes IX and X and an elective subject in classes XI and XII.

The Competency Based Curriculum and Syllabus for Vocational Education for classes IX-XII has been adopted from the curriculum and syllabus developed by the Pandit Sunderlal Sharma Central Institute of Vocational Education (PSSCIVE), Bhopal.

In this regard, the registered schools have been encouraged to come forward in introducing vocational education in their schools to nurture the skill requirements of the learners. The application form for the introduction of the vocational education is uploaded in the portal, [www.nbsenl.edu.in](http://www.nbsenl.edu.in) in the forms section. All necessary instructions are appended in the form itself. The following is the list of the courses for introduction:

Sl. No.	Course	Sector
1	Domestic Data Entry Operator	Information Technology Enabled Services (ITeS)
2	Food and Beverage Service Trainee	Tourism and Hospitality
3	Store Operation Assistant	Retail

## MINUTES OF THE MEETING HELD BETWEEN THE CHIEF SECRETARIES OF NAGALAND AND ASSAM

A meeting was held on 31<sup>st</sup> July 2021 between the Chief Secretary of Nagaland and Chief Secretary of Assam at Dimapur, Nagaland with a view to de-escalate the tense situation prevailing in 2(two) locations in the Desso Valley Reserved Forest/Tsurangkong Valley due to stand-off between the armed police forces of Nagaland and Assam.

Both sides agreed that in order to maintain peace and tranquility in the areas around Ao Senden village and Vikuto village as they are known in Nagaland, and known as Jankhona Nala/Nagajankha (26°36'52.9"N 94°22'27.3"E) and Compartment No. 12(26°34'33.7"N 94°19'05.9"E) respectively in Assam, urgent and effective steps are required for defusing the stand-

off between the security forces of Nagaland and Assam.

In this regard, it is decided by both sides that the security personnel of both states shall simultaneously move back from their present locations to their respective base camps. The simultaneous withdrawal of the security personnel shall begin immediately.

Nagaland and Assam shall monitor the area by surveillance using UAV and satellite imagery with a view to maintain the status quo. The Superintendents of Police of the districts of Mokokchung (Nagaland) and Jorhat (Assam) shall ensure orderly withdrawal of their respective forces and shall be responsible for it in the instant case.

In his speech, Nosazol Charles thanked the Minister of Planning & Co-ordination, Neiba Kronu, the Administrative Heads and Heads of the various State Departments for their co-operation and support during his tenure. He also mentioned that his career achievements were made possible because of the hard work carried out by the

department staff.

The programme was chaired by Joint Development Commissioner, Augustine M Yanthan, who also delivered the vote of thanks. The programme was attended by Minister, Planning & Co-ordination, Land Revenue & Parliamentary Affairs, Neiba Kronu, senior officers and staff of the department.

## 2<sup>nd</sup> EDITION OF NAGALAND REGIONAL EASTERN HIMALAYAN NATURENOMICS™ FORUM HELD

*Nagaland Regional Eastern Himalayan Naturenomics Forum was held at Sukhai village, Zunheboto on 1<sup>st</sup> August 2021.*

Nagaland Regional Eastern Himalayan Naturenomics™ Forum 2021 was held on 1<sup>st</sup> August 2021 at Sukhai village of Zunheboto district, bringing together community voices, government officials, SHG groups, farmers and indigenous organizations towards understanding community conservation model in Sukhai, and exploring opportunities for a sustainable future. The theme of the forum was 'Understanding the socio-economic conservation models for biodiversity preservation in Community Conserved Areas (CCA).' The Nagaland Regional Eastern Himalayan Naturenomics™ Forum has been hosted, partnering with the Tizu Valley Biodiversity Conservation and Livelihood Network

(TVBCLN) and The Energy and Resources Institute of India (TERI).

Due to the COVID-19 pandemic, Balipara Foundation conducted the regional colloquium adhering to SOP and norms regulated by Nagaland State Government, registered by a total of 35 participants, including resource persons, community representatives and volunteers.

Sukhai has brought into light the rich biodiversity the village has, and how every effort has been taken towards mobilizing the community members towards preserving the land. Chairman of Sukhai CCA and leader of TVBCLN, Ivan Jimo highlighted upon the indigenous culture and

tradition of Sema Naga communities which are interlinked to nature since time immemorial.

The discussion was carried forward by a presentation on "Biodiversity vis-a-vis Shifting Cultivation to Nagaland" by Pikato V. Jimo, the PO of Nagaland Empowerment through People Economic Development (NEPED) and the General Secretary to Sukhai CCA. Talking about the traditional farming practices once practiced in the CCA across Sukhai and nearby villages, Jimo stated that conservation won't be successful, until we provide livelihood options. He further went on to say that shifting cultivation does not always degrade the ecology, and it is a far more economically and biologically sustainable way of farming when compared to settled form of agriculture.

Talking on the Article 371A, and land ownership in Nagaland, Chief Conservator of Forests (Environment, Biodiversity & Research), Nagaland, Spongnuksi IFS stated that forest and ecosystem management in the State involves many stakeholders like Forest Department, Agriculture Department and civil societies, amongst others. "As per Forest Survey of India Report 2019, over 75.31 % of total geographical area of Nagaland is under forest cover. Open Forest Category of forest lands largely fall under the jhum fallow lands," he informed.

The event designed to witness insightful deliberations in context to indigenous people, forest management and traditional practices witnessed informative deliberations and presentations from an eminent panel of other speakers like Dr. Rakesh

Kumar Chaurasia, Head & Senior Scientist to Krishi Vigyan Kendra (KVK) Nagaland, Heirang Lungalang, Chairman to the Nagaland Community Conservation Areas Forum (NCCAF) and Rokonglie Meyase, professional bird guide and tour operator from Khonoma CCA.

Formulating the Regional Nagaland Chapter, Balipara Foundation in coming days envisions to work closely with the indigenous communities of Nagaland through its flagship project Rural Futures and Naturenomics™, to ensure a sustainable future for the State and celebrate the indigenous conservationists as the custodians of the natural landscapes - protecting and preserving their lands.

The forum was organized by Balipara Foundation, a non-profit organization nestled in Assam in the Eastern Himalayas. Established in 2007, Balipara Foundation focuses on community development and conservation of natural resources in the region through the concepts of Naturenomics™ and Rural Futures.

The Eastern Himalayan Naturenomics™ Forum was launched in 2013 to find solutions leading to important lessons for the communities and others, at all levels, from local to global. Following success of the Sikkim and Manipur Forum, the regional chapter will travel to different parts of the Eastern Himalayas this year and organize community specific discussions.

#### **DISCUSSION ON NAGA POLITICAL ISSUE:**

Minister, Planning & Coordination, Land Revenue and Parliamentary Affairs, Neiba Kronu initiating the discussion gave a timeline of constitution of the Parliamentary Committee for the Naga Political Issue. On 16<sup>th</sup> July 2021, a

Parliamentary Committee (Joint Legislators Forum nomenclature changed), was constituted comprising of all 60 elected Members of Nagaland Legislative Assembly (NLA) and both the Members of Parliament. A Core Committee within the Parliamentary Committee comprising of 22 members was set up to discuss the issue in more detail. The first Core Committee meeting was held on 9<sup>th</sup> July 2021 where a 5-Point Resolution was adopted, after which a meeting was held with the 7 NNPGs on 20<sup>th</sup> July 2021 and with NSCN-IM on 21<sup>st</sup> July 2021. Kronu stating that if the Naga Political Issue is not resolved, it will hamper the entire system and society, and with the Gol and negotiating parties having reached this far, he said time is crucial now and called for more efforts and suggested for the House to make a resolution and approach the negotiating parties.

Minister, Kashiho Sangtam suggested for the Parliamentary Committee or the Core Committee to negotiate with Naga representatives, NSCN-IM and 7 NNPGs, and appealed to them to leave past and present differences and come together for the Naga people. Advisor Khehovi Yephthomi said that when the Gol is showing seriousness in solving the issue, we should not miss the opportunity as the more we delay and neglect talks, more political groups will crop up. MLA, Imkong L. Imchen called for all the negotiating parties not to have rigid stance and said that in modern and contemporary politics, it cannot always be winner takes all, there has to be shared victory. MLA, Chotisuh Sazo called for the negotiating parties to be transparent with the agreed position. MLA, Y. M. Yollow Konyak stated that the 60 elected Members of the NLA and two MPs have the mandate of the public, and he appealed to all negotiating parties to come together for the Nagas.

MLA, Kuzholuzo Nienu stated that from day one, Nagas' demand was for sovereignty, therefore any solution or settlement that comes about cannot be taken as a final settlement. Advisor, Pukhayi expressed that the Naga Political Issue should come into solution, as Nagas have every right to

have freedom. He pointed that the House passing a resolution should not contradict to any group but the voice of the August House should conclude in a peaceful settlement. Suggesting some prepositions on the Naga Political Issue, MLA, Dr. Chumben Murry said that the Core Committee, on behalf of the Parliamentary Committee should urge the leaders at the Centre to be magnanimous on the issue of the Naga Flag, and at the same time, have more discussions with the NSCN-IM group and urge them to reconsider their stand on the line of the 31<sup>st</sup> October Agreement, in the interest of the Nagas.

Minister, Tongpang Ozukum while appreciating the supreme sacrifices made by the Naga Political Groups since the beginning of the movement, also appealed to them to forget and forgive the past mistakes and to come together as one. MLA, Yitachu said that the main reason to form an oppositionless Government is an effort on history making of the Nagas, to arrive at an early and peaceful solution. MLA, H. Chuba Chang said that Naga issue can be solved only politically and called all the leaders to unite in finding a lasting solution which is agreeable to everyone. Advisor, Dr. Longrineken asked the August House to pass a resolution and make an appeal to the two groups NSCN-(IM) and NPPG to negotiate with the Gol as united Naga and coin the differences and sacrifices for our future generation, to put aside the political issue and endorse for the interest of the Naga.

*Leader of Opposition, T. R. Zeliang speaking on Naga Political Issue during the 8<sup>th</sup> Session of the 13<sup>th</sup> Nagaland Legislative Assembly on 3<sup>rd</sup> August 2021.*

Leader of Opposition, T. R. Zeliang recalled that the NPF walked out on Naga Political Issue in 2020 due to the fact that the JLF was not making

much positive progress, and subsequently, proposed that a Parliamentary Committee should be constituted with all the elected representatives and the two Members of Parliament, to which he thanked the Leader of the House for accepting the proposal. It was felt that both the parties (NDPP and NPF) need to leave aside their political differences, to help facilitate the Naga Political Issue and to fulfil the aspirations to the Naga people. He appealed to the negotiating parties, the Government of India and Naga Negotiating Groups to stick to what has been agreed upon on 31<sup>st</sup> October 2019, as claimed by both the negotiating parties that the talk has completed successfully.

Leader of the House, Chief Minister, Neiphiu Rio stating that though the Naga society is divided on many things, the elected members of NLA since 1964 have unanimously passed all the 12 resolutions on the Naga Political Issue. He stated that during the Core Committee meeting with the NNPG group and NSCN-IM, all parties have conveyed their concern on finding a solution. Highlighting the uniqueness of the Naga Political Issue, he said that after Article 370 was removed, even Jammu and Kashmir has demanded for Article 371(A) like Nagaland.

#### **RESOLUTION ON THE NAGA POLITICAL ISSUE:**

1. The House appeals to the negotiating parties of the Indo-Naga political dialogue to resume the peace talks with a positive approach and mutual respect for each other by setting aside pre-conditions, in deference to the Naga people's cry for long term peace, and resolve the contentious issues of the competencies at the earliest.
2. The House appeals to all Naga Political Groups to make serious efforts towards unity and reconciliation. The constant antagonism against each other, especially in public space and the media is sending out a wrong message to the masses, considering the fact that we are all pursuing the same aspiration of peace and political solution. Taking the positive example set by the elected Members of the Nagaland

Legislative Assembly, who have risen above party affiliations to unite for the Naga Political Issue, the Naga Political Groups should make concerted efforts, and listen to the voice of the people for unity and oneness.

3. The House, while appreciating the constant role and contributions of the churches, civil societies and the NGOs towards facilitating peace and strengthening the peace process, appeals to the civil societies, mass-based organisations and the Tribal Hohos to make renewed efforts towards creating a conducive atmosphere for the early realisation of a political solution by pursuing unity, reconciliation and oneness.
4. All Members of this House have come together under the same banner in line with the election manifestos of all political parties committing ourselves to the people that all the elected Members are prepared to make any sacrifices for an inclusive, honourable and acceptable solution.
5. The House, therefore, appeals to the Naga Political Negotiating Groups to come together in order to hammer out their differences, and give the people 'One Solution and One Agreement.'

### DISCUSSION ON NAGALAND-ASSAM BORDER ISSUE:

Taking part in the discussion on matters of urgent public importance on 'Nagaland-Assam border,' MLA, Imkong Imchen stated that Assam Government has border disputes with various North Eastern states and mentioned that the recent clash between the Government of Assam and Mizoram Government is a classic example of the aggressive policy of Assam Government. He suggested to the Chief Minister of Nagaland to coordinate with all the Chief Ministers of the North Eastern states to have a common platform and pursue the matter to the Prime Minister of India to intervene with the aggressive policy of the Assam Government. Imchen also suggested to the Leader of the House to constitute a cabinet Sub-Committee on border

management to deal and review all the agreement entered with the Assam Government. He added that Nagaland Armed Police Force should be deployed to avert any aggressive policy and protect the border area of Nagaland. He urged the Government to expedite the compilation of the Foot Hill Road at the earliest to avoid issues arising due to bandh imposed in Assam.

MLA, Yollow Konyak suggested that the Government can have a proper land holding system in order to protect the interest of the people living in the border area and emphasized on the need for proper deployment of the State police force to tackle law and order problem.

Advisor, Horticulture and Border Affairs, Mhathung Yanthan briefed the House on the history and events of the State since the creation of the Naga Hills district under Assam in 1866. Lamenting the usage of satellite imaginary in disputed areas, he called for solving the issue by visiting the disputed areas and getting firsthand knowledge. Terming the border issue with Assam a 'perpetual problem,' he sought for concerted effort in solving the problem.

Minister, Higher Education and Tribal Affairs, Temjen Imna Along said that the Nagaland-Assam border issue has remained unsettled ever since Nagaland became the 16<sup>th</sup> State of India. Under this issue, he suggested to the House to upgrade the Border Magistrate to a DC level. He requested that the 13 IRB be sent to the recent disputed areas in order to avoid any future unfortunate incidents. He also said that border outposts should be strengthened with more assertiveness.

MLA, Moatoshi Longkumer raised various problems faced by the Nagas due to land disputes with Assam. He stated that the issue has been hampering developmental and farming activities and urged for deployment of neutral security forces like CRPF at the disputed areas.

Discussing on the Assam-Nagaland boundary issue, Leader of Opposition, T. R. Zeliang stated that the boundary dispute has created unrest for people of both the states. He said that despite

such conflict and turmoil, even the Supreme Court has not been able to finalise the boundary issue which he felt was due to the complexity of the matter. Giving a brief historical background of Nagaland, Zeliang stated that there have been Agreements between Assam and Nagaland to solve boundary disputes but the problem continue to exist which he believes, is partly due to the fact that some clauses in the Agreements signed between the two Governments are biased and thereby, unreliable and have worked to the disadvantage of Nagaland to a large extent. He also suggested that a Parliamentary Panel be constituted to study the border dispute issue and to submit its report within a stipulated time period.

Chief Minister, Rio said that he fully endorses with the Leader of Opposition regarding the Nagaland-Assam issue. He also said that the people of Nagaland should unite and take a common stand on this issue stating that the agreement between the two states should be without any pre-conditions.

### **RESOLUTION ADOPTED BY NAGALAND LEGISLATIVE ASSEMBLY ON ASSAM-NAGALAND BORDER ISSUE ON 5<sup>th</sup> AUGUST 2021:**

The House unanimously adopted Three Point Resolution adopted by Nagaland Legislative Assembly on Assam-Nagaland Border Issue on 5<sup>th</sup> August 2021 and decided to pass the following resolutions:

2. Request the Union Home Minister to ensure maintenance of status quo in letter and in spirit in the disputed area till settlement of the issues.
  3. The border issue should be amicably settled outside the court by the two State Governments, by involving the local communities from both sides.

### **PANGNYU PHOM HIGHLIGHTS ON COVID-19 PANDEMIC SCENARIO IN THE STATE:**

Minister of Health & Family Welfare, S. Pangnyu Phom made a statement under Rule 55 pertaining to COVID-19 pandemic during the 8<sup>th</sup> Session of the Thirteenth Nagaland Legislative Assembly on 5<sup>th</sup> August 2021.

Phom stated that the first wave required urgent measures in the form of imposition of lockdown to curtail the spread of virus and take steps to strengthen our healthcare system. The Government had taken steps by strengthening our testing facilities, creating posts and recruiting healthcare professionals in an expeditious manner. He said that requisite infrastructure, critical care equipments and ambulances were also provided to the District Hospitals and a State Warehouse was set up at Kohima to modernize the supply chain management, supported by a robust IT platform.

Stating that the second wave of COVID-19 has been much more severe than the first wave, Phom said that the State had more than 15,600 cases at a positivity rate of 11.5% in the four-month period comprising the second wave as compared to the 11,927 cases at a positivity rate of 9.7% for the nearly one-year period of the first wave.

To augment the human resources,

Pangnyu informed that 390 posts were created in 2020 specifically keeping in view the requirements on account of COVID and around 150 resultant vacancy posts were also filled up in an expeditious manner. 150 Medical Officers, 14 Specialists, 258 Nurses, 5 Dental Surgeons, 23 AYUSH MOs, 6 Research Scientists and 6 BSL Lab Technicians, 54 ANMs/FHWs, 11 OT technicians and 10 ECG technicians were appointed to meet the requirement of healthcare professionals for COVID-19 and incentives were also announced for private doctors, he added.

The Minister mentioned that to meet the need for immediate augmentation of beds, private hospitals were also mandated for management of COVID-19 patients. Available resources were shared with the private hospitals and their capacities also enhanced. He said that to meet the increased hospitalization, bed strength was ramped up, which was 805 with 608 Beds without oxygen support, 68 Beds with oxygen support, 68 ICU beds without ventilators and 61 ICU beds with ventilators before the second wave to 1153 beds with 296 beds without oxygen support, 669 Beds with oxygen support, 99 ICU beds without ventilators and 89 ICU beds with ventilators respectively. He informed that a 200 bedded hospital is being built, with 24 paediatric beds, for acute medical care in CIHSR Dimapur which is likely to get operational by September, adding that the hospital will be immensely useful, should there be a third wave of COVID-19 pandemic.

Phom stated that the Department procured oxygen cylinders on a war footing and has nearly 6,000 cylinders of various capacities as compared to 1,417 cylinders at the beginning of the pandemic the previous year with the total capacity of oxygen that can be stored in the cylinders amounting to more than 17.5 Metric Ton. He mentioned that PSA Oxygen Generation Plants along with oxygen piping and generator backup have been installed at Kohima, Dimapur, Mokokchung, Tuensang and Phek to ensure availability of bedside oxygen and these plants have a daily capacity of 3.7 Metric Ton. He added that PSA Plants have been procured and

are under installation for other districts also. More than 2,000 concentrators have been procured or received through various sources oxygen concentrators and have been deployed at various medical facilities and have strengthened the oxygen supply chain, putting in place a State Depot in Dimapur and a Zonal Depot at Mokokchung. Resultantly, despite the sudden surge in cases, no patient had to suffer on account of lack of availability of oxygen or hospital beds, he added.

The Minister informed that out of 688 ventilators, 239 have been distributed to various health facilities including private hospitals. Besides the 3 BSL laboratories, he said that 25 TrueNat and 362 Rapid Antigen Testing facilities for COVID-19 have been established across the State and a total of 2,63,703 tests have been made since May 2020 to 31<sup>st</sup> July 2021,.

Stressing on the importance of COVID vaccination, Phom stated that the Government has launched mass COVID Vaccination drives and informed that a total of 7,67,535 doses of COVID-19 vaccines have been administered as of 30<sup>th</sup> July 2021 covering about 49.3% for the target of 1<sup>st</sup> dose and 12% for the target of 2<sup>nd</sup> dose.

Calling upon the House to be prepared for the third wave, Pangnyu Phom informed that a Paediatric Task Force has been set up under a senior Director of the H&FW with experts drawn from the private and public sector to look into our preparedness.

The Minister appreciated all the efforts being put in by all concerned and thanked the healthcare workers and frontline workers, both in the private and government sectors, who have put in their best efforts, performing their duties for long working hours and under stressful conditions. He added that everyone should continue to work together to ensure in addressing the challenges of COVID pandemic in the State.

#### **MATTERS ON URGENT PUBLIC IMPORTANCE ON POST COVID ECONOMY RECOVERY:**

Minister for Planning & Coordination, Land Revenue and Parliamentary Affairs, Neiba Kronu,

said the COVID-19 pandemic has a huge impact on economic generation, so one of the topmost priorities of the present day Government is to retrieve back the economic generation with hard labour and by supporting the people. Kronu urged all the members for suggestions which can be helpful in bringing back the lost economy.

Minister for Agriculture, G. Kaito Aye informed the House that 70 percent of the population of the State is dependent on agriculture. He stated that the State has a huge set back on Agri and Allied sector due to shortage of rainfall and for which the Agri and Allied sector departments have set up a Core Committee in order to tackle the issue on the rainfall shortage and post COVID-19 impact. Aye added that the Department has planned various activities under Agri and Allied sector department which will be taken up in cluster approach wherein, fisheries, piggery, duckery, poultry, etc. along with terrace paddy cultivation, intercropping with various crops, vegetables and fruits etc. to ensure productivity. Sema also stressed that the Integrated Settled Farming at Boke Botsa would serve as a model and will be replicated in all the districts eventually. The Minister further stated that GPS mapping of the area will be taken by the GIS Cell and for which the Agri & Allied departments will have to prepare action plan for early implementation of Naga Model Integrated Settle Farming like the Boke Botsa

integrated farming project.

Advisor, Industries & Commerce, Imnatiba said that the outbreak of Corona Virus has significantly disrupted the global economy and our State is no exception to it. The Skill Development Department had initiated a job mela which attracted about 100 jobs in a single day. Unfortunately, the pandemic had forced the youths that were employed outside to come back to the State. He appealed to the Government to come up with a proper policy which would help give a face lift to the already struggling entrepreneurs in the State.

Chief Minister, Neiphiu Rio delivering his concluding remark said that the COVID-19 pandemic has been highly disruptive and challenging, and has impacted us in many ways but we have to look beyond the COVID-19 pandemic, to a future with high rates of sustained economic growth and better income levels for our citizens. He also said that lockdowns and restrictions have led to a sharp impact on economic activities at the global and national level and the State has also not been spared. He remarked that Agriculture and Allied activities continue to be the main source of livelihood for the rural people of Nagaland as this sector contributes more than 70% to the State's economy. Rio stated that travel and hospitality industry has been badly bruised by the pandemic but hopefully, we shall be having the Hornbill festival

Director, Soil & Water Conservation Department, K. Zhekheto Awomi along with officials during the release of the updated version of Meteorological Data of Nagaland 2019-2020 at the Director's Office Chamber on 6<sup>th</sup> August 2021.

An updated version of Meteorological Data of Nagaland 2019-2020, published by the Soil Survey & Land Use Planning Wing was released by Director, Soil & Water Conservation Department, K. Zhekheto Awomi, during a short programme conducted at his chamber.

Documentation of meteorological data is necessitated by growing importance of Applied Meteorology in Agriculture which is being witnessed in the wake of global climate change. The Department

currently has 17 Meteorological Stations spread all over Nagaland, the first being installed in 1981, which records weather parameters on a daily basis. Besides supplying the data to a host of offices every day, it is also availed regularly by many users such as researchers from all over India - Scientists, Engineers, Land and Water User departments etc. for various project formulations, construction activities, preparation of action plans, assessing of loss/damage due to natural disaster/calamities etc.

**YIMCHUNGERS CELEBRATE METEMNEO FESTIVAL AT KISAMA**

Chairman, Nagaland Bio-Resource Mission, L. Thronghokuu addressing the gathering at Metemneo Festival celebration held at Naga Heritage Village, Kisama on 7<sup>th</sup> August 2021.

Metemneo festival was celebrated on 7<sup>th</sup> August 2021 with Chairman, Nagaland Bio Resource, L. Thronghoku as the special guest at Naga Heritage Village Kisama, Kohima.

L. Thronghoku said that the Metemneo festival is celebrated in honour of newborn babies and the soul of a person who pass away in the present year. In the past, Metemneo festival was celebrated with deep sense of respect and honor but today, it is rarely found, so he urged all to work together to bring back the lost glory. He encouraged the gathering to work together to bring harmony and peace among within the community.

Mission Director, NBRM, Dr. Kroulalie who also spoke on the occasion stated that one must preserve their cultural identity and with the coming of western lifestyle influence, people have detached themselves from their culture. He encouraged the Yimchunger community to inculcate the tradition and culture passed down by the forefathers for the

future generation to keep the unique culture alive.

Delivering the significance of Metemneo festival, Executive Chairman, YUK, Hanji said that it is encouraging when festivals are celebrated keeping in mind their inherent meaning and significance. He stated that earlier, the festival was celebrated from the 1<sup>st</sup> of August to the 8<sup>th</sup> of August, however it has been reduced to three days from 6<sup>th</sup> to 8<sup>th</sup> August, with 8<sup>th</sup> August as the prime occasion. Stating that the festival literally conveys an occasion of a 'Soul wrapping feast,' the whole meaning of the festival revolves around life, hope, friendship and peace, and it encircles around the spiritual feast and also a religious communion between the living and the dead, he added.

The function was chaired by Vice President, YUK, Akumba, while vote of thanks was delivered by General Secretary, YUK, T. Kiusangthong. The festival was organised by Yimchunger Union Kohima following COVID-19 SOP.

### CHIEF SECRETARY CHAIRS 3<sup>rd</sup> STATE LEVEL STEERING COMMITTEE MEETING ON NAFCC

The 3<sup>rd</sup> State Level Steering Committee Meeting on National Adaptation Fund for Climate Change (NAFCC) was held under the chairmanship of Chief Secretary, Nagaland, J Alam, IAS on 12<sup>th</sup> August 2021 at the Secretariat Conference Hall,

Kohima.

A brief presentation on implementation of NAFCC project in Nagaland was carried out by Joint Director, SARS, Tamsuinla. She stated that the project titled "Gen Pool Conservation of Indigenous

Rice Varieties under Traditional Integrated Rotational Farming System (Jhum optimization) for Promoting Livelihood and Food Security as Climate Change Adaptation Strategy in Nagaland” was launched in April 2019 with the Ministry of Environment, Forests & Climate Change, Government of India as the funding agency. She further highlighted that the project was implemented in five districts of Nagaland covering 22 villages and benefiting around 1000 families.

Various agenda were discussed in the meeting including extension of the project period. APC, Kikheto Sema, IAS explained that the project was for a period of three years, however the project could not be implemented on time due to delay in release of fund, the total lockdown due to COVID-19 and prolonged dry spell which has affected standing crops in some districts. He therefore sought approval from the house to request the Ministry to further extend the project period till March 2022 to

complete the project, to which the house agreed.

The NAFCC Project in Nagaland aims to undertake baseline survey for targeting of Jhum area, facilitate treatment @ 1 ha of Jhum area per family, develop germplasm of traditional rice varieties and other indigenous crops, promote cultivation of indigenous varieties of rice in 1000 ha area, establish 100 vermicomposting units, etc. For promoting water use-efficiency and its conservation, gully plugs, loose boulder check dams, bench terraces and land levelling works would be undertaken.

The projects under NAFCC prioritizes the needs that builds climate resilience in the areas identified under the SAPCC (State Action Plan on Climate Change) and the relevant Missions under NAPCC (National Action Plan on Climate Change) and National Bank for Agriculture and Rural Development (NABARD) is the National Implementing Entity (NIE).

#### 4<sup>th</sup> PROJECT STEERING COMMITTEE MEETING OF FOCUS HELD

The 4<sup>th</sup> Project Steering Committee meeting of Fostering Climate Resilient Upland Farming System in North East (FOCUS) – Nagaland was held on 12<sup>th</sup> August 2021 at the Secretariat Conference Hall, Kohima.

Chief Secretary Nagaland, J. Alam, IAS appealed the Agri and Allied Departments and all concerned departments to contribute towards making the FOCUS project a success. He stated that the project has the potential to have a positive impact on the farmers across the State.

APC and Mission Director, FOCUS, Kikheto Sema, IAS while giving a presentation on the project activities stated that project is designed to provide farmers with better jhum cultivation practices that will be both more productive and more sustainable, thus creating an ecological balance, enhancing resilience to climate change, and raising farmers' incomes, support improved market access and

value chain development as farmers move to more market-oriented production. The overall goal of the project is to increase agricultural income and to enhance resilience to climate change. This would be achieved through the development objective of increasing the environmental sustainability and profitability of farming systems practiced by highland farmers.

Various agenda discussed at the meeting included inclusion of three new districts in FOCUS project. With the creation of Noklak as a new district and with the World Bank projects in Tuensang and Peren having winded up during 2019-20, it was felt genuine to propose for inclusion of the three districts to FOCUS for the remaining three years of the project implementation. The Project Steering Committee agreed to submit the proposal for inclusion of the three districts to Directorate of Economic Affairs, Gol.

#### NSRLM DISBURSES Rs. 98 LAKH TO 75 SHGs

In solidarity with the State Government in celebrating the 75<sup>th</sup> Anniversary of Indian Independence 'Azadi Ka Amrit Mahotsav' from 1<sup>st</sup> July to 14<sup>th</sup> August 2021, Nagaland State Rural Livelihoods Mission (NSRLM), Rural Development

in collaboration with Nagaland Rural Bank (NRB) disbursed a loan amounting to Rs. 98 lakh to the 75 Self Help Groups on 13<sup>th</sup> August 2021.

On the occasion, Joint Secretary, RD and Mission Director, Imtimenla stated that the State

Mission objective is to bridge the trust between banks and the poor and added that the State Mission and the banks have contributed equally to make the SHG members "Credit Worthy" over the years. Imtimenla said that the State Mission is encouraged by the NRB's Chairman proactive initiative in providing the loans to the SHGs. She informed that currently, there are 246 SHGs accessing financial services from NRB and expressed hope that the joint effort will continue to increase financial service coverage and bring change in the lives of the poor and marginalised.

Chairman, Head Office, NRB, V. Venkata Narayana expressed his confidence in the credit worthiness of the SHGs. He noted that timely repayment of the SHGs is appreciable and that NRB will continue to support access to credit linkage to eligible SHGs.

Chief Operating Officer (COO-Programs), NSRLM, M. Rollan Lotha conveyed that the State Mission has established strong Community Based Recovery Mechanism (CBRM) committee in banks

where SHGs are transacting. The committee comprises of the Bank Manager and the SHGs cadres wherein the committee ensures access to loans by the SHGs and their timely repayment to the banks. To access the loan, each SHG member develop their Household Investment Plan (HIP) which is consolidated as Micro Credit Plan (MCP) at the SHG level. Regular handholding on building their knowledge and skills for taking up viable livelihoods is imparted to ensure that the plans are credit worthy. The loan provided to the SHGs on the occasion of 75<sup>th</sup> Independence Day by NRB is an encouragement to the rural households and the joint collaboration is a step towards universal coverage of Financial Inclusion in Nagaland, he stated.

The programme was chaired by SPM-FI, Rajuselie Lhousa and attended by Mission Director, COO-Programs and Imonenla Imkong Phom, SPM-IBCB from the State Mission, while the bank was represented by the NRB Chairman and Bank Managers of NRB branches.

## SENIOR OFFICERS ASSIGNED TO ALL DISTRICTS OF THE STATE TO REVIEW MANAGEMENT OF COVID-19

---

The State Government with a view to intensively review the steps being taken to manage the COVID-19 pandemic at the district level has assigned a senior administrative officer along with a senior officer from the Health & Family Welfare Department to each of the district in the State. Each team of officers would make visits to their assigned districts and interact with the officials of the District Task Force, the civil society organizations and others to carry out review and guide them in refining/improving the management of COVID-19.

The State Government seeing the need to be prepared for any eventuality of a third wave has decided to continue increasing COVID Testing, vaccination coverage and strengthening of healthcare infrastructure in the districts and hence, the decision was taken to assign the senior officers to make an intensive hands-on

review of the COVID-19 situation in all the districts and to ensure that steps are taken to improve the overall management of COVID-19 throughout the State.

An orientation programme for the assigned senior officers was held on 13<sup>th</sup> August 2021 at the Secretariat Conference Hall, Nagaland Civil Secretariat, Kohima.

Chief Secretary, Nagaland, J. Alam IAS encouraged the teams to take the help of NGOs, Civil Society Organizations, faith based organizations and village authorities in creating awareness among the general public. He further mentioned the need for the teams to make an intensive study and review all aspects in greater detail so as to effectively deal with the COVID-19 situation and most importantly, to ensure that the State improves its preparedness in the event of a third wave.

## NATIONAL FLAG RALLY CULMINATES

The culminating programme of National Flag Rally in commemorating 75 years of India's Independence (Azadi Ka Amrit Mahotsav) celebration was graced by the Director General of Police, Nagaland, John Longkumer IPS at the Police Headquarter, Kohima on 14<sup>th</sup> August 2021.

John Longkumer said that the word Azadi Ka Amrit literally means the nectar of freedom, and mentioned that the Prime Minister of India, Narendra Modi while launching the programme, described it as the 'Elixir of the Energy of Freedom,' the nectar of inspiration from the freedom fighters, nectar of new ideas, new resolutions and total self-reliance which would be an inspiration for the new generations to come. He also said that through the programme, we pay homage and respect to the freedom fighters of our nation for their personal sacrifices, their spirit of unity and their love for the nation during the 200 years of British colonial rules. In our state too, he said that Haipou Jadonang of Nagaland, anticipating for freedom of his people from the

clutches of the British colonial rule, revolted against the British but on 19<sup>th</sup> February 1931, at the age of 26 years, he was arrested on charges of seduction and hanged, thus becoming a martyr in India's struggle for India independences.

Longkumer also said that as India celebrates its independence, it is also battling the COVID-19 pandemic, and in order to win this war, all sections of the society need to come together by cooperating with one another and observe all necessary precautions to ensure the safety of all citizens.

Delivering the welcome address, IGP (Range) Limasunep Jamir, IPS said that the National Flag Rally was partaken by officers and personnel of the 4<sup>th</sup> NAP, IRB and SP Kohima, and that a Coffee Table Book of the department would be released soon. The programme was chaired by AIGP (Prov) Temjensenla Jamir, NPS. The National Anthem was led by the DGP Band and the National Song, Vande Mataram was sung by the Mahila Band.

## INDEPENDENCE DAY REPORTS FROM ACROSS THE STATE

### KOHIMA:

Chief Minister, Neiphiu Rio delivering the 75<sup>th</sup> Independence Day speech at Secretariat Plaza, Kohima on 15<sup>th</sup> August 2021 said, commemorating the milestone and celebrating 'Azadi ka Amrit Mahotsav' (nectar of freedom festival) once again reminded of all the freedom fighters whose sacrifices brought freedom to our people.

Rio said that Made in India COVID-19 vaccines are helping dozens of countries across the world and as the world's largest democratic nation, India continues to make valuable contributions towards the progress of humanity and for the cause of freedom on an international scale.

Rio remarked that as the country crosses the landmark of 75 years, it is an occasion to celebrate the remarkable contributions of Nagaland and Nagas in the journey of our great nation thus far.

He said that decades since statehood, Nagaland has evolved as a confident state and is a contributing and participating member of India's nation building process. He added that our brave soldiers have fought the country's enemies and guarded our borders with courage and valour. He further added that artists, musicians and cultural ambassadors from Nagaland have added to the vibrant diversity of the country and in the fields of public affairs, bureaucracy, judiciary, sports and the fourth estate, the citizens of Nagaland have served the country with exemplary distinction.

Rio said that as a part of this great country, we continue to be in pursuit of the final solution of the Naga Political Issue, which remains as old as this nation itself. He also said that hopes have risen to a great extent as in recent years as the Naga Political Groups have been in ceasefire with the Government of India for a long time and the peace talks over the

years have made significant progress. He commented that the State Government has over the past years, played the role of active facilitator to the ongoing Indo-Naga political peace talks. He further said that a Parliamentary Committee on Naga Political Issue consisting of all Members of the Nagaland Legislative Assembly and our two Members of Parliament was formed to give further impetus to the peace talks and to help arrive at the final solution at the earliest. He added that a Core Committee was constituted to ensure a focused approach in our role as facilitator, and the Core Committee has appealed to the negotiating parties to move forward with a positive approach of mutual respect and set aside pre-conditions in the greater interest of the people's cry for long term peace. He also said that in the recently concluded session of the Nagaland Legislative Assembly, the Members unanimously passed a resolution appealing to the negotiating parties on the same lines as resolved by the Core Committee.

Also on Nagaland-Assam border issue, Rio said that Nagaland has a long standing inter-state border dispute with Assam. He mentioned that the pro-active steps were taken along with Assam Government to de-escalate the situation. He added that a Select Committee of the House has also been constituted to examine all aspects of the Assam-Nagaland border issue.

Rio said that the ferocity of the second wave of the pandemic has tested our capacities and our resilience. He added that the State took preventive measures in time, and moved swiftly to augment our health infrastructure, particularly the availability of oxygen across the State, the most critical element in the fight against COVID-19. He further said that equipments were provided to government as well as private health facilities so that sufficient oxygen supported beds including ICU and HDU beds are available to meet any emergency. Rio lamented that despite the best efforts put in by everyone concerned, there have been cases of people succumbing due to COVID-19, and appealed to all citizens of the State to continue to observe COVID appropriate behaviour at all times and encouraged

all eligible persons to take the vaccine not only for their personal interest but in the greater interest of their families and the community.

The Chief Minister paid tribute and extended the deepest appreciation to all the healthcare workers and frontline workers in the State and across the world, for the enormous sacrifices that they have made for the cause of humanity. While appreciating the civil society organisations, the churches, the village authorities, and all citizens of the State for the excellent cooperation during the challenging times of unavoidable lockdowns and steps to protect the citizens of the State, he also reminded that our conduct, behaviour and safety precautions will largely determine the level of impact in the event of any further future wave. He said COVID-19 pandemic and the lockdowns required to check the spread of infection, have made us realise the importance of building the skills of our people and making them self-reliant to earn their livelihoods. The Government has, therefore, focused on strengthening of Agri and Allied sector, skills and service sector and trade and commerce with the four key objectives, namely self-reliance, re-skilling, gainful employment and facilitation.

## AT HOME-CUM-GOVERNOR'S AWARD CEREMONY HELD

At Home-cum-Governor's Award in the field of Art, Music and Literature 2020 programme was held at Dr. Imkongliba Ao Hall, Raj Bhavan, Kohima on 15<sup>th</sup> August 2021.

On the occasion, the Governor's Awards were conferred to the awardees of 2020 since it could not be held due to the pandemic. The recipients are Buddhi Bahadur Thapa for Arts and Display of Paintings; Kekhrielezo Stephen Mark

Medom for Arts and Display of Sculpture Works; Bendangnungsang Ao for Arts and Display of Painting and Squadron Band for Display of Music and Live Performance.

Governor R. N. Ravi mentioned that Art, Culture and Music are very powerful medium of expression. Nagaland has enormously rich cultural heritage, every village needless of its culture, has remarkable composite expression for the way of life.

Unfortunately, today most of it is mirrored in the form of few dances and dresses, and it has lost the values which for centuries, our ancestors have preserved and transmitted down the line. Our people should resonate the collective angst and urges of society, only then it becomes genuine and relevant, the Governor stated.

Chief Minister, Neiphiu Rio in his brief speech said the formalities of the Award for 2021 could not be completed and it will be carried over in

2022. He congratulated the awardees and said the recognition of their works is not only to promote but to encourage the youth in the field of Music, Art and Literature. The Chief Minister said the State is unique because of the rich culture and tradition, we need to preserve it and at the same time, we cannot ignore the Modern Art, Music and Literature which is highly respected today, and further, for their promotion in Nagaland, the State Government has announced CM's Scholarship for Music and Arts.

### CM LAUNCHES 'NAGALAND SDG VISION 2030'

Chief Minister, Neiphiu Rio launched the 'Nagaland SDG Vision 2030: Leaving No One Behind,' at Capital Convention Centre, Kohima on 17<sup>th</sup> August 2021. It is a document based on the 17 Sustainable Development Goals (SDG) adopted by the United Nations General Assembly in 2015, while the 'District SDG Localisation & Integration Manual' was launched by Minister, Planning & Coordination, Land Revenue and Parliamentary Affairs, Neiba Kronu.

Launching the Nagaland SDG Vision 2030, the CM said the document provides with state specific short, medium and long term targets with measurable indicators and strategies that the State should focus on, to meet the aspirations of the people for sustainable livelihoods and living standards.

With North Eastern states, especially the hill states lagging in economic growth and Nagaland, being a resource constrained state, Rio stated that there is hardly any elbow room for the State Government to meet the large investments needed for capital and infrastructure development in the State. He also stated that the rigid implantation norms of most of the development interventions of centrally sponsored/central schemes coupled with the shorter working seasons due to the monsoons, the land ownership system of the State and the comparatively higher cost of transportation, etc. pose big challenges for the State in fulfilling the aspirations of the people.

Adviser, NITI Aayog, Sanyukta Samadar,

IAS addressing the event, said that India can achieve the SDGs only if states steer the entire process of SDGs and become leaders in taking it down to the district, block and village levels, and added that North East Region plays a crucial and strategic role in this. Lauding the State Government for coming up with the document and manual, Samadar expressed hope that with the Steering Committee and coordination among departments headed by Planning Department, the State's position will improve in the coming years. She stated that Nagaland has done remarkably well in clean water and sanitation, poverty eradication, clean energy, sustainable consumption and production, peace justice and strong institutions.

On fund mobilization and financing, Sanyukta Samadar said the Ministry of DoNER and NITI Aayog have come up a collaborative project in developing SDG index for 120 districts in eight NE states which will be launched on 25<sup>th</sup> August 2021. The index will be used by the Ministry of DoNER as a tool for fund allocation, focusing on critical areas. The Adviser also requested the State Government to make use of the new multi-dimensional poverty index by NITI Aayog, which she said will help with policy planning and targeted intervention.

In SDG performance, Nagaland is ranked 19<sup>th</sup> in the country with a score of 61 and among North East states, it is in 5<sup>th</sup> position. For the SDG performance of districts in Nagaland, Kohima is the top performing district with Kiphire at the last position. In Goal 1 (No poverty) of SDG - 100%

districts are in red category (aspirants, score of less than 50); in Goal 2 (zero hunger) – 81% in green (frontrunners with score of 65-99), 18% in yellow (score of 50 to 64); and in Goal 4 (quality education) – 9 % in red, 63% in yellow and 27% are in green category.

Minister Neiba Kronu said that it is important to sensitise, share about the structure on how to work towards the goals with the District Administration and district level departments. He added that the manual contains the necessary

information that are locally relevant in achieving the goals.

Resident Representative, UNDP also spoke on the occasion. Minister, Agriculture and Cooperation, G. Kaito Aye; Advisor, Information Technology & Communication, Science & Technology and New & Renewable Energy, Mmhonlumo Kikon; Advisor, Horticulture and Border Affairs, Mhathung Yanthan; Chief Secretary, J. Alam along with AHoDs and HoDs of concerned departments attended the inaugural programme.

## STATE GOVERNMENT HOLDS MEETING WITH TRIBAL HOHOS

The State Government had a consultative meeting with the Tribal Hohos of the State on 18<sup>th</sup> August 2021 at the State Banquet Hall, Chief Minister's Residential Complex, Kohima.

Chief Minister Neiphiu Rio delivering the keynote address, stated that the long-pending demarcation of the administrative boundary between Peren and Dimapur districts needs to be discussed and settled amicably. He informed that the Government in August 2019 had constituted a Cabinet Sub-Committee headed by Minister of Health & Family Welfare, Pangnyu Phom to meet all the stakeholders, and finalize the boundary between the two districts. The Cabinet Sub-Committee after due deliberations and looking into every aspect and the ground situation, suggested an administrative boundary. However, he said that there have been reservations expressed on the proposed demarcation from people on both sides, citing their customs and traditions.

The Chief Minister said that the 16-Point agreement provided for the Tribal Council to be an appellate authority for customary laws and it would be appropriate for unresolvable matters or disputes and matters involving customs and relating to Naga tribes to be entrusted to a tribal body for resolution. In this connection, the Government decided to entrust the 14 Tribal Hohos of Nagaland to meet and discuss with the tribal leaders of both districts and resolve the matter as per customary practice and in the spirit of brotherhood.

On Naga Tribunal, Rio said that as per the 16-Point agreement, a Naga Tribunal at the state level can act as an Appellate Authority for the cases to be decided according to customary law. Such a tribunal consisting of those who have expertise in customary law can help settle many cases, which are of a complex nature, and which would not be easily decided in modern Courts. He also stressed on the need for documentation and codification of the traditional laws as it will provide clarity on where the traditional laws can be invoked, and where other laws, Central or State Laws, would need to be invoked. With the likelihood of having a separate High Court in the near future, there is a need to codify the customary laws urgently to avoid any possibility of confusion or over-lapping of cases, he added.

Highlighting on the implementation of Register of Indigenous Inhabitants of Nagaland (RIIN), Rio stated there has been discussion on the need to implement RIIN to protect the interests and rights of the Nagas and at the same time, we need to ensure that all rightful citizens of India should not be denied what is justifiably their rights. He added that the decision should be well thought out, and should not cause any panic, chaos or harassment to anyone or community.

On the issue of Women Reservation and Urban Local Body (ULB) elections, Rio said that the Government has not been able to hold elections to the urban local bodies since 2008 and the last effort

to hold ULB elections in 2017 resulted in widespread agitation, and unfortunate incidents, leading to serious law and order problems. Following that, a Cabinet Sub-Committee was constituted in August 2018 to study the problem, and suggest ways to resolve the issue, but it could not make any meaningful progress on resolving this issue. By not holding the ULB elections, Rio informed that the State is deprived of substantial grants under the Finance Commission for under taking various developmental activities.

The Chief Minister highlighting on the institution of Gaon Bura, said the needs of urban settlements are quite different from rural areas and villages. He stated that the nomenclature of Gaon Bura in a town itself is an anomaly and that there is a need to look at the role and need of a Goan Bura in urban areas.

Addressing the gathering, Deputy Chief Minister, Y. Patton dwelled on the matter concerning the demarcation of the administrative boundary between Peren and Dimapur districts. He said it has been adversely affecting the proper administration along the inter-district boundary of both the districts. On ULBs, Patton said due to the inability to come to a consensus on the matter, funds earmarked for ULBs under the Finance Commission Grants have got

suspended and the State is facing grave difficulties in providing basic amenities due to lack of resources. On reservation of women in ULBs, he said that it needs to be looked keeping in view all the aspects concerning history and development of urban centres. On Gaon Buras, Patton said the role and responsibilities of GBs in rural and urban would be different with the passage of time. Therefore, the issues confronting them should be looked in all aspects. On the implementation of RIIN, he urged the state level committee to have some more rounds of meetings and work out the modalities for implementation.

Minister, Geology & Mining, V. Kashiho Sangtam highlighted on the mediation regarding boundary demarcation of Peren and Dimapur districts while role of Gaon Buras was briefed by Commissioner, Nagaland, Rovilatuo Mor. Principal Secretary spoke on Women reservation in ULBs and Secretary, Justice & Law, Ngamjok Konyak highlighted on Naga Tribunals for adjudication as per Naga Customary Law. Principal Secretary, Home, Abhijit Sinha briefed on the implementation of RIIN.

Representatives from the tribal bodies gave their views and suggestions for consideration during the meeting. Elected members from the State also shared during the programme.

## ABHIJIT SINHA HOLDS MEETING TO REVIEW MANAGEMENT OF COVID-19

A review meeting with senior officers who were assigned to all districts of the State to review the management of COVID-19 was held with Principal Secretary, Home, Abhijit Sinha, IAS at the Secretariat Conference Hall, Kohima on 26<sup>th</sup> August 2021.

The major concern of the officers who were assigned to various districts was the low turnout for vaccinations. They viewed that the main challenge in achieving vaccination was due to vaccine hesitancy in the minds of the people.

It was observed that awareness campaign on the COVID vaccines needs to be boosted especially in the rural areas. Further, there is a need to sensitize community leaders, NGOs, GBs and

faith based organizations should be done at the earliest. It was also suggested that misinformation and fake news needs to be addressed rationally and logically, while write ups or videos in local dialects countering the viral fake news should be prepared and disseminated to the people.

The officers gave a brief update on the situation of their assigned districts and actions suggested to improve the overall management of COVID-19 throughout the State.

The State Government seeing the need to be prepared for any eventuality of a third wave has decided to continue putting stress on COVID testing, vaccination coverage and strengthening of healthcare infrastructure in the districts.

## HORTICULTURE DEPARTMENT FLAGS OFF WINTER VEGETABLE SEEDS DISTRIBUTION

Advisor, Horticulture and Border Affairs, Mhathung Yanthan flagging off the distribution of winter vegetable seeds at the Directorate of Horticulture, Kohima on 26<sup>th</sup> August 2021.

Advisor, Horticulture and Border Affairs, Mhathung Yanthan, flagged off the distribution of winter seeds under MIDH 2021-22 and NEC 2020-21 on 26<sup>th</sup> August 2021 at the Directorate of Horticulture, Kohima. It was distributed to identify villages for COVID-19 post pandemic economic recovery activities.

Speaking as the special guest, Yanthan said that Nagas have learned great lessons during the pandemic, to produce enough for ourselves and enough for marketable surplus so that we get economic returns. Keeping in view of this, the Chief Minister has taken the initiative and this programme has been conceptualised, he stated.

Yanthan said that Nagaland has enough surplus production but no proper market or proper post-harvest technology and no market channelizing. He further mentioned that the farmers have to be encouraged to do farming in real business venture and consider themselves as entrepreneur, for which the Department has to extend their service effectively to the farmers. He also called upon the Department and farmers to take advantage of the air cargo facility which is now available for all.

Agriculture Production Commissioner, Y.

Kikheto Sema IAS, in his introductory remarks, acknowledged the Department for working tirelessly for the farming community at the time of pandemic and arranging the winter seeds in advance to the farmers covering 170 village. The ACP also requested the farmers to preserve the seeds for future use.

Under funds provided by NEC for the year 2020-21, the Department provided quality vegetable seeds to the farmers for whole year cultivation, identifying 100 vegetable villages covering 11 districts including 10,000 households and under MIDH during 2021-22, 1,000 Ha area is to be covered under vegetables wherein villages are adopted as 'Vegetable villages' by the Department and are supported with vegetable seeds for both kharif and rabi season. So far, there are over 70 vegetable villages covering all the districts including the youngest district of Noklak. The concept behind these 'Vegetable villages' is to increase the quantum of vegetables produced so that there is marketable surplus which can contribute to increasing the income of the villagers by way of sale of the vegetables while also contributing to their nutritional security by ensuring availability of vegetables for their consumption.

## **MICRO-ISOLATION ZONE TO BE IMPLEMENTED IN KOHIMA**

Kohima District Task Force (DTF) on COVID-19 held a meeting with the representatives of wards and colonies on 4<sup>th</sup> August 2021 under the chairmanship of Deputy Commissioner and Chairman, Kohima DTF, Gregory Thejawelie at DPDB's Conference Hall, Kohima.

DC, Gregory informed the gathering that the meeting was convened to call for concerted efforts from all corners of the district towards the successful implementation of the Micro-Isolation Zone (MIZ), notified by the State Government. He said the concept of MIZ has been conceived with the aim to cause minimal disruption to normal life and economic activities by isolating a defined small geographical area which might be as small as a

building from the rest.

As in Containment Zones, restriction of movement, social distancing, enhanced active surveillance, testing all suspected cases, isolation of cases and intensive IEC on COVID-19 Appropriate Behaviours and other preventive and safety public health measures will be put in place. DC said that depending on the number of COVID-19 cases and number of houses with COVID-19 cases, a cluster of houses or a locality-colony/block/khel/ward/ village will be declared as MIZ.

In this connection, the DC called for collective efforts from all the wards and colonies to join hands and assist the DTF in identifying the household and provide required information to

implement the exercise effectively so as to break the chain of transmission. While appreciating the AKMWP, wards and colonies for extending their best cooperation and efforts in containing the spread of the disease so far, the DC further solicited their continued support and effort. He said the second wave is not over yet and the prevailing positivity rate and the risk associated with the impending third wave is of great concern where the district needs to

scale up testing and vaccination and urged them to put more efforts in these areas.

CMO, Kohima, Dr. Vezokholu Theyo spoke on the testing strategy and also emphasized on the importance of testing and vaccination in the present scenario of the pandemic. DIO, Kohima, Dr. Rupert Peseyie also informed that the percentage of vaccinated beneficiaries has improved after the sensitization programme conducted by the DTF.

## DC DIMAPUR LAUNCHES COFFEE BAR - NATIVE BREW

Deputy Commissioner (DC), Dimapur, Rajesh Soundararajan, IAS launched the Coffee Bar - Native Brew in the Office of District Project Officer, Land Resources Department, Dimapur on 3<sup>rd</sup> August 2021.

Speaking on the occasion as the special guest, Soundararajan lauded the Department for the initiative while pointing out that there has been an increase in coffee consumption and increase of coffee demand across the globe and country. He noted that with the support of Coffee Board of India, it is the right and opportune time for the Department and the State for increasing coffee plantation and also for improving market linkages and for coming up with coffee processing capabilities. Mentioning that India stands as the 6<sup>th</sup> major coffee producer in the world, where it is being further projected to increase from 15 to 18% from the current level, the DC encouraged the Department to keep up with their awareness programmes and to continue to support the coffee farmers.

Deputy Director, Land Resources who is the Supervisor of Dimapur district, Puvil Kikhi while highlighting on the history of coffee plantation in Nagaland stated that during the early 80s, the Coffee Board of India (CBI) and Government of Nagaland jointly started Nagaland Plantation Crop Development Corporation in 1981. He however said that since CBI could not arrange market for the coffee farmers most coffee plantation farms were abandoned by the farmers except for a few districts like Wokha, Mokokchung, Mon and Zunheboto. He went on to say that during 2014-15, the CBI again had a discussion with Land Resources Department and agreed for taking up coffee plantation whereby an MoU was signed. He informed that presently

8,996 hectares of coffee plantation has been developed in Nagaland where, in the previous year alone 1,003 hectares has been developed in collaboration with CBI.

Spelling out the Department's vision for 2020-30, Kikhi informed that the Department has earmarked to develop 50,000 hectares of coffee and has started the vision in earnest. If we can develop 50,000 hectares, the State would be able to generate a revenue of Rs. 1,630 crore, he explained. Further, he said that till date (2019-20), the Department has exported 27.5 metric tonnes of coffee to a South African company by the name of Noble Cause wherein a memorandum has been signed for 30 years. The company has agreed to buy all the coffee products coming from Nagaland, he added. Kikhi also informed that two of the Department's staff were trained for coffee development from the British Coffee School, Kathmandu. The trainers would be imparting training to the educated unemployed youths across all the districts of Nagaland and the training is scheduled to start from 10<sup>th</sup> August 2021, so that the youths can set up coffee bars in their respective districts, Kikhi said.

Kikhi also informed that the Department is promoting natural tea including butterfly pea tea, gooseberry tea, sumac tea, fresh ginger tea, rosella tea, cinnamon and moringa tea which according to Kikhi has low cost, can be easily processed and has a lot of health benefits. With the latest initiative of natural tea and coffee which are all organic, the Department has come up with the slogan, 'Drink What You Grow' so that instead of buying from the market, one can grow and drink which is healthier, Kikhi added.
